Accessibility Notice

This document is also available in HTML format at:

Link: <https://aholdengouveia.name/IntroData/labs/bigdata.html>

The HTML version provides enhanced accessibility features including keyboard navigation, screen reader support, responsive design, dark mode support, and high contrast options.

Objectives:

- Students will gain a basic understanding of how to work through a problem using a larger dataset and some basic Machine Learning.

Complete the following

Go to Kaggle Link: <https://www.kaggle.com/> and create a free account.

You will be going through the Titanic tutorial. Link: <https://www.kaggle.com/code/alexisbcook/titanic-tutorial>

References, a video, a PowerPoint and some notes are available at my website Link: <https://www.aholdengouveia.name/IntroData/bigdata.html>

Please include Answers to the following questions

1. What do you think of the tutorial?
2. How difficult did you find this activity?
3. Will you be trying another challenge on Kaggle? If yes, which one?
4. Were you able to improve on the given code?
5. What was your accuracy? (This might also show up as "score")
6. Do you have any ideas on how you could improve that?

Deliverables

A text document with the answers to the questions, and a screenshot of your submission onto the leaderboard.
